

GUIDING PRINCIPLES

The following core principles will drive our decision-making as we develop clear, actionable steps for learners and employees to return to school for the 2020-2021 school year:

- We will offer a high-quality, rigorous and comprehensive educational experience for our learners, whether in-person or online and standard grading practices will apply.
- We will continue our district-wide commitment to Visible Learning, ensuring that every learner has a meaningful connection to a responsible and caring adult. We will continue to foster the power of the teacher-learner relationship.
- We will be compassionate, empathetic and responsive as we listen to, respect and consider input and feedback as we work to address individuals' needs.
- We will be creative and flexible in our instruction and school operations while being responsible stewards of our resources.
- We will provide our staff, learners and families with the support, training and tools needed to adapt to an ever-evolving educational environment.
- We will be transparent, timely and accurate in all communications.
- In pivoting to respond to the unpredictable future, we will remain firmly grounded in our District mission, vision and beliefs.

NOTE: All guidelines and protocols in this Roadmap are subject to change based on new information or direction from state and local officials.

PCSD 25 Roadmap for the 2020-2021 School Year

Revision Legend

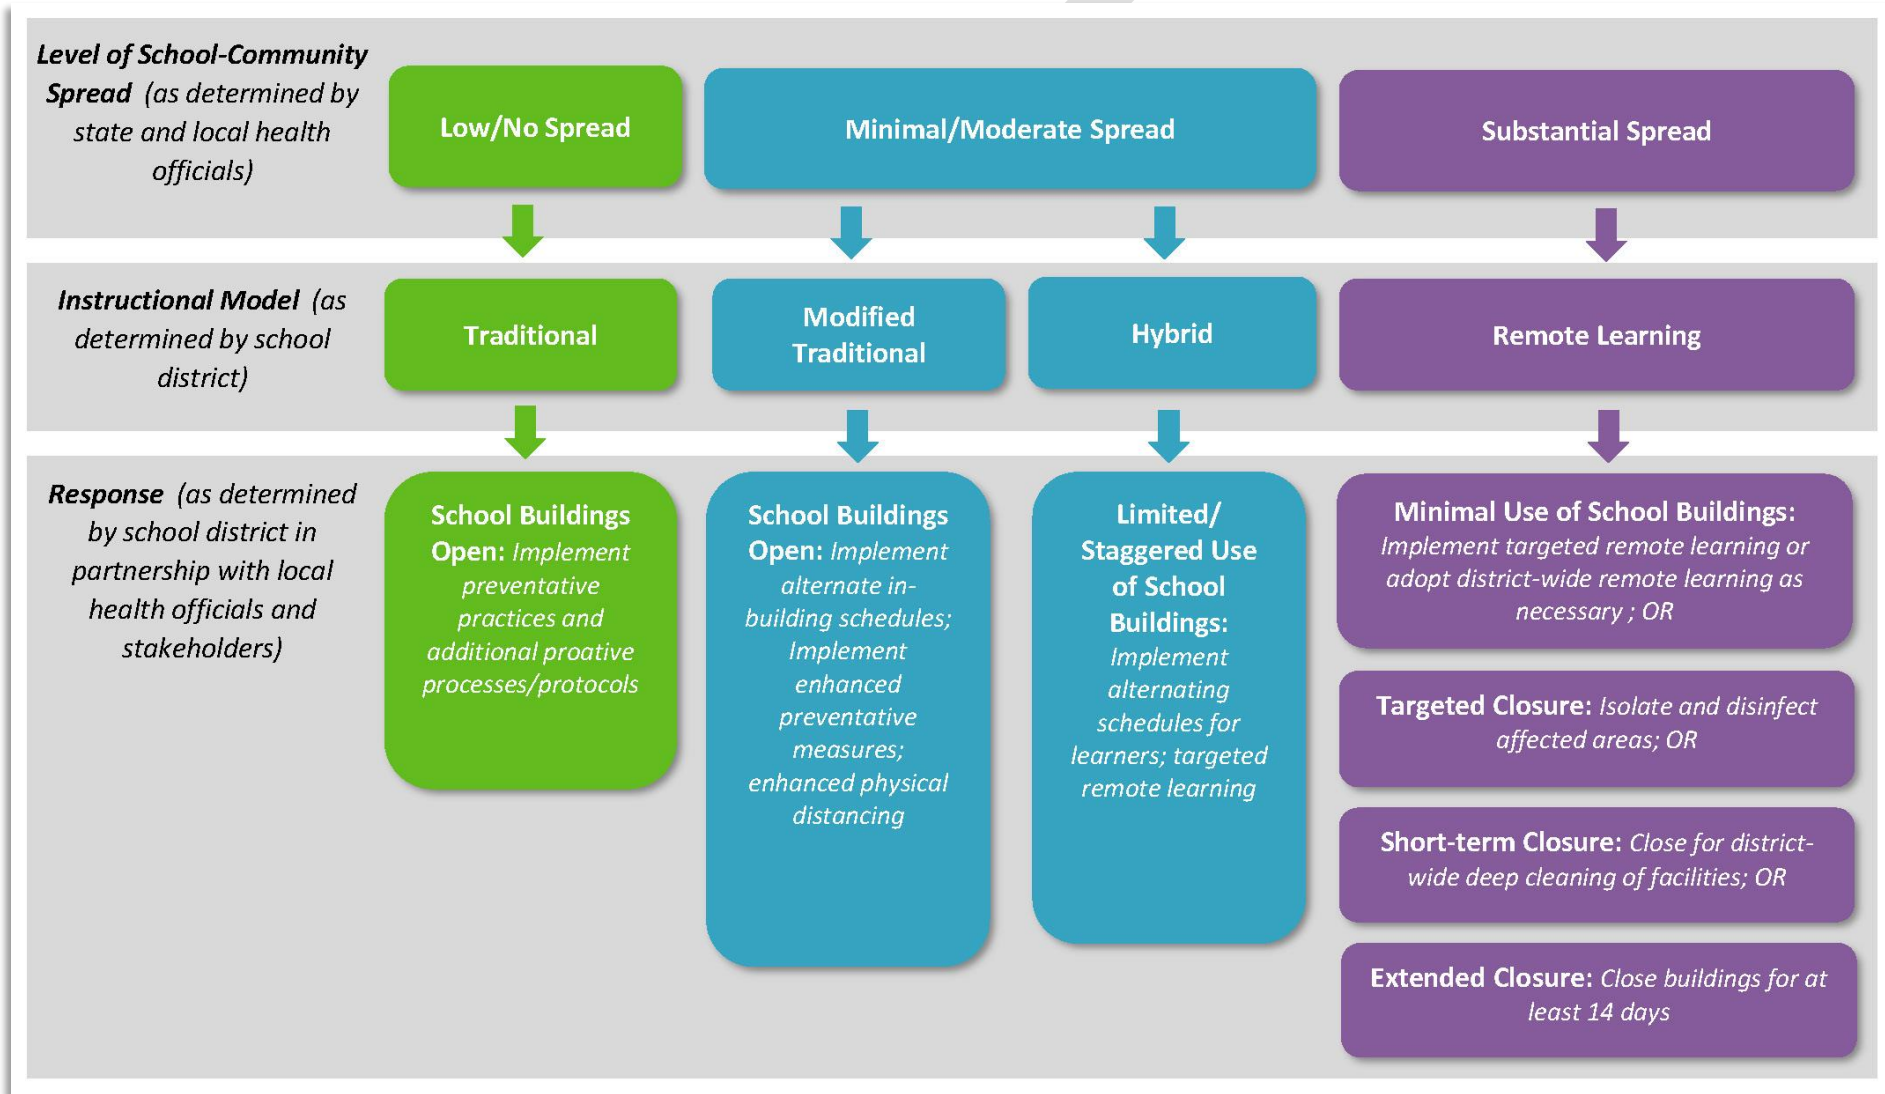

The draft plan is flexible, allowing the district to make adjustments as needed depending on the spread of COVID-19. The Roadmap to the 2020-2021 School Year is intended to be a fluid document and subject to change as more information becomes available. Changes will be highlighted in the following manner:

PCSD 25 Roadmap for the 2020-2021 School Year

Decision Flow-Chart

The following flow-chart provides various options for district consideration in consultation with local health officials and stakeholders. The chart is intended to provide a flexible framework for addressing challenges that may arise throughout the 2020-2021 school year, while ensuring the continued success and safety of our learners and employees.

PCSD 25 Roadmap for the 2020-2021 School Year

Definition of Community Spread in PCSD 25 Schools

Low/No Spread <i>*(CDC Category 1 – No Community Spread)</i>	Minimal/Moderate Spread <i>*(CDC Category 2 – Minimal to Moderate Community Transmission)</i>	Substantial Spread <i>*(CDC Category 3 – Substantial Community Transmission)</i>
<p>Evidence of isolated cases or limited community transmission, case investigations underway, no evidence of exposure in large communal settings like healthcare facilities, schools, and mass gathering.</p>	<p>Widespread and/or sustained transmission with high likelihood or confirmed exposure within communal settings, with potential for rapid increase in suspected cases.</p>	<p>Large-scale community transmission, healthcare staffing significantly impacted, multiple cases within communal settings like healthcare facilities, schools, and mass gatherings.</p>

As of Tuesday, July 21, 2020 our community is in Category 1. The decision to transition between Categories 1, 2, and 3 will be made in conjunction with state and/or local health agencies following the Governor’s Rebound Idaho plan and Southeastern Idaho Public Health’s (SIPH) COVID-19 Regional Response Plan. PCSD 25 will link to SIPH’s Covid-19 Regional Response Plan as soon as the document is approved by SIPH. For more information regarding Categories 1, 2 and 3, see the full document:

[*CDC’s COVID-19 Guidance for Schools](#)

Definitions

Face Coverings	Hand Sanitizer	Clean/Disinfect	Physical Distancing
 <p>Face coverings include cloth masks, clear face shields and/or safety goggles. Staff, learners and visitors are required to wear a face shield or cloth mask. and learners are highly encouraged to bring and wear a cloth mask. Information will be provided to staff, learners and families on proper use, removal and washing of cloth masks. The district will be sensitive to the needs of learners and staff with medical issues that make wearing a face covering inadvisable.</p>	 <p>Hand sanitizer should contain at least 60% alcohol and provided to learners and staff whenever possible. Young learners are encouraged to use soap and water when available.</p>	 <p>Disinfecting products will be EPA-approved. Staff will ensure the safe and correct application of disinfectants and are responsible to keep them locked in a secure area when not in use.</p>	 <p>Physical distancing means maintaining a physical distance of 6 feet or greater between yourself and others whenever possible.</p>

Level of School-Community Spread
(as determined in conjunction with
local health officials)

	Low/No Spread (CDC Category 1)	Minimal/Moderate Spread (CDC Category 2)	Substantial Spread (CDC Category 3)
<p>Transporting Learners</p> <p>RESOURCES:</p> <p>CDC Guidance</p> <ul style="list-style-type: none"> What Bus Operators Need to Know 	<ul style="list-style-type: none"> Implement Standard Operating Procedures while taking additional preventative measures such as: <ul style="list-style-type: none"> Provide hand sanitizer on buses. Evaluate field trips (to areas of limited/low transmission) on a case-by-case basis. Inspect buses prior to learners returning and as part of a regular rotation. Clean and disinfect frequently touched surfaces on the bus at least daily. Air out buses when not in use. Encourage siblings or learners from the same household to sit together. 	<p>Follow Low/No Spread, plus:</p> <ul style="list-style-type: none"> Eliminate field trips. Implement protocols to limit the number of learners from different households congregating at bus stops. 	<p>School buildings are closed. Implement the following:</p> <ul style="list-style-type: none"> Consider utilizing school buses to deliver essential services.
<p>Entering and Exiting School Buildings</p> <p>RESOURCES:</p> <p>American Health Care Association</p> <ul style="list-style-type: none"> COVID-19 Screening Checklist for Visitors COVID-19 Warning Poster 	<ul style="list-style-type: none"> Encourage parents, learners and staff to: <ul style="list-style-type: none"> Take temperature at home before entering buildings; Remain home and isolate if temperatures are 100.4 (38°C) or higher. Mark spaced lines to encourage physical distancing and designate entrance/exit flow paths. Screen symptomatic learners and staff (to the extent feasible and appropriate). Maintain confidentiality and strict adherence to FERPA and HIPAA. Implement Standard Operating Procedures while taking additional preventative measures such as: <ul style="list-style-type: none"> Encourage learners and staff to limit unnecessary congregation and practice physical distancing. Follow protocol for learners and staff who feel ill, or experience symptoms at school. (See When a Staff Member, Learner or Visitor Exhibit Symptoms at School) Limit visits to emergencies and/or essential volunteers; follow protocol for visitors including: calling ahead; require all visitors to wear a face covering/mask upon entering the building. 	<p>Follow Low/No Spread, plus:</p> <ul style="list-style-type: none"> Mark spaced lines to encourage physical distancing and designate entrance/exit flow paths. Screen symptomatic learners and staff (to the extent feasible and appropriate). Maintain confidentiality and strict adherence to FERPA and HIPAA. Follow protocol for learner pickup/drop-off, which may include staggered pickup/drop-off times by grade, class or bus number. 	<p>School buildings are closed. Implement the following:</p> <ul style="list-style-type: none"> Limit building access to essential staff to carry out critical functions. Utilize virtual tools and platforms whenever possible, and keep in-person reporting to an absolute minimum during school closures.

PCSD 25 Roadmap for the 2020-2021 School Year

Level of School-Community Spread (as determined in conjunction with local health officials)	Low/No Spread (CDC Category 1)	Minimal/Moderate Spread (CDC Category 2)	Substantial Spread (CDC Category 3)
<p>Serving School Meals</p>	<ul style="list-style-type: none"> Implement Standard Operating Procedures while taking additional preventative measures such as: <ul style="list-style-type: none"> Practice physical distancing and designate flow paths. Ensure all people wash their hands or use hand sanitizer prior to entering cafeteria. Ensure cafeteria workers distribute all food items. Use disposable trays and utensils. Emphasize that food, drinks and utensils are not to be shared. Implement no-touch meal checkout system. 	<p>Follow Low/No Spread, plus:</p> <ul style="list-style-type: none"> Practice physical distancing and designate flow paths. Consider Alternative Serving Models such as: <ul style="list-style-type: none"> Serve meals in classrooms; Stagger meals in cafeteria by grade or hall; Serve meals outdoors (weather permitting); Serve pre-packaged meals in lieu of traditional serving lines. 	<p>School buildings are closed. Consider the following:</p> <ul style="list-style-type: none"> Implement alternate meal pick-up sites.
<p>Transitioning</p>	<ul style="list-style-type: none"> Implement Standard Operating Procedures while taking additional preventative measures such as: <ul style="list-style-type: none"> Mark spaced lines and designate entrance/exit flow paths. Emphasize physical distancing. 	<p>Follow Low/No Spread, plus:</p> <ul style="list-style-type: none"> Limit mixing between groups when possible. Consider staggered class release times when feasible. 	<p>School buildings are closed.</p>
<p>Conducting Large Group Gatherings</p> <p>RESOURCES:</p> <ul style="list-style-type: none"> District 25 GuidelinesPCSD 25 Athletics & Activities Guidelines and Procedures for the 2020-2021 School Year IHSAA GuidelinesIHSAA Return to Sports and Exercise during the Covid-19 Pandemic 	<ul style="list-style-type: none"> Implement Standard Operating Procedures while taking additional preventative measures such as: <ul style="list-style-type: none"> Follow IHSAA Guidelines for athletic events and practices. Prohibit large assemblies. Requests for an assembly will be considered on a case-by-case basis. Abide by maximum group limitations as defined by Idaho's Rebound Plan. Discourage learners from gathering in large groups and encourage physical distancing. 	<p>Follow Low/No Spread, plus:</p> <ul style="list-style-type: none"> Consider large spaces for group activities such as outdoors (weather permitting), gymnasiums or auditoriums and enforce physical distancing. 	<p>School buildings are closed.</p> <ul style="list-style-type: none"> Large group gatherings will not be permitted.

PCSD 25 Roadmap for the 2020-2021 School Year

Level of School-Community Spread (as determined in conjunction with local health officials)	Low/No Spread (CDC Category 1)	Minimal/Moderate Spread (CDC Category 2)	Substantial Spread (CDC Category 3)
<p>Supporting Teaching and Learning</p>	<ul style="list-style-type: none"> • Implement Standard Operating Procedures while taking additional preventative measures such as: <ul style="list-style-type: none"> ○ Implement standard grading practices. ○ Report daily attendance in accordance with COVID-19 Guidelines. ○ Implement 1:1 Chromebook to Learner initiative. ○ Increase wireless access points. ○ Provide access to credit recovery programs where necessary. ○ Integrate blended learning opportunities into the regular curriculum. ○ Implement seating charts in classrooms. ○ Provide professional development for staff to increase digital fluency ○ Increase space for physical distancing by removing personal non-essential furniture (i.e. couches, chairs, pillows, etc.) ○ Limit locker use. 	<p>Follow Low/No Spread, plus:</p> <p>Modified Traditional Instruction Example:</p> <ul style="list-style-type: none"> • Limit and/or prohibit partner/group work. • Increase the distance between workspaces. • Keep elementary cohorts together as much as possible. • Utilize large spaces such as outdoors (weather permitting), gymnasiums or auditoriums when possible and encourage physical distancing. <p>Hybrid Instruction Example: A hybrid model consists of part time in the school building, and part time remote learning. A hybrid model will only be implemented if absolutely necessary and after factoring in additional logistical requirements/costs as well as day care requirements placed on working families and unnecessary burden on staff. Consider allowing special education students to continue in person instruction as these students often rely on daily routines and social interactions to address their essential learning needs.</p> <ul style="list-style-type: none"> • Consider alternating schedules. Alternating schedule EXAMPLES: <ul style="list-style-type: none"> ○ <i>Alternating Days:</i> Group A – Monday/Wednesday; Group B – Tuesday/Thursday; and Remote Learning Days. ○ <i>Alternating Weeks:</i> Group A – Week 1; Group B – Week 2. 	<p>School buildings are closed.</p> <ul style="list-style-type: none"> • Implement a robust Remote Learning Plan. • Distribute Chromebooks/instructional packets/materials and meals. • Communicate collection/drop off locations.

PCSD 25 Roadmap for the 2020-2021 School Year

Level of School-Community Spread (as determined in conjunction with local health officials)	Low/No Spread (CDC Category 1)	Minimal/Moderate Spread (CDC Category 2)	Substantial Spread (CDC Category 3)
<p>Protecting Vulnerable Populations</p> <p><i>Vulnerable populations include: elderly individuals or individuals with serious underlying health conditions including high blood pressure, chronic lung disease, diabetes, obesity, asthma, and those whose immune system is compromised, such as by chemotherapy for cancer, or other conditions requiring such therapy.</i></p>	<p>Implement Standard Operating Procedures while taking additional preventative measures such as:</p> <ul style="list-style-type: none"> • Maintain point-of-contact with local health department. • Identify community COVID-19 testing sites. • Providing hand sanitizer for learners and staff. • Limit group interactions for vulnerable learners and staff. • Allow vulnerable learners to complete coursework using alternate methods. 	<p>Follow Low/No Spread, plus:</p> <ul style="list-style-type: none"> • Provide alternate learning opportunities for vulnerable learner populations in consultation with parents and local health officials. • Continue district-wide commitment to and strict adherence of FERPA and HIPAA requirements. • Emphasize strict adherence to state and federal employment law and extended leave allowances. 	<p>School buildings are closed.</p> <ul style="list-style-type: none"> • Continue to provide nursing and health care services and/or mental health services when feasible and appropriate.

<p>Online Learning Options</p>	<p>Elementary Online Program</p> <ul style="list-style-type: none"> • Registration deadline to choose this option is August 4, 2020. Contact the district office at 208-235-3206. • Learners are required to stay in the Online Program through mid-term end of trimester. • Daily online attendance is recorded. • Standard grading will be applied. • Online program is teacher-driven utilizing district curriculum. • Parental involvement is a key factor to learner success, expect a minimum of 4 hours daily. <p>Secondary Online Program</p> <ul style="list-style-type: none"> • Registration deadline to choose this option is August 14 August 4, 2020. Contact the district office at 208-235-3211. • Learners are required to stay in the Online Program for the entire trimester. • Daily online attendance is recorded. • Standard grading will be applied, must pass course with a 70% or better. • Online program will utilize the APEX learning platform for instruction and curriculum (1 class at a time, core curriculum, limited electives). • Learners must pass 4-5 classes per trimester to stay on track for graduation. Each course should take 2-3 weeks to complete. • Parental involvement is a key factor to learner success. Learners should expect to spend a minimum of 4 hours daily working online.
